### **Ride Description:**

This ride is designed for walkers and riders of all ages and abilities. Escape the heat to the river and follow the shady riverside paved trails. The only gravel is 1km at the start / end on the off road High Country Rail Trail. In ride Marshals will provide direction and marshals will assist in negotiating road crossings safely. Please wait for pedestrian lights at Havelock Street and High Street.

Starting from Wodonga Racecourse meander for 1km along the gravel High Country Rail Trail. 2km family walkers / riders turn back from here. At Havelock St / Osborne St junction use the pedestrian traffic lights to cross Havelock St, then head east along the new paved footpath that takes you across Hovell Street (marshall), High Street (use pedestrian traffic lights), across the St Augustines carpark to Church Street (marshal) and into Belvoir Park where there is a Rider Reviver at 2.5km turnaround, next to the Belvoir Park playground and toilets.

From Belvoir Park the rest of the ride is alongside waterways, leaving Belvoir Park lake to cross Wodonga Creek at the Stockies. Follow the paved Lincoln Causeway to Flanagans Creek where you follow the Murray River around Gateway Island.

A Rider Reviver on the Murray River near Gateway Village has toilets and is the turnaround point for the 16km riders.

Continue downstream on the Murray River, crossing Union Bridge into Albury, around past Norieul Park through to the Swimming Pool where you have the only real climb of the day up into Padman-Mates Park. The turnaround point is at Kremur Street boat ramp where there is water and a toilet. Return upstream along the Murray River along the same route to the Wodonga Racecourse.

Return under the Finish Arch to the **"CHILL ZONE"** to revive and refresh with family and friends and tell them about the fantastic ride you have just completed, and for the greatest of causes... the ALBURY WODONGA REGIONAL CANCER CENTRE and the Border Trust.
