Ride Description:

This ride is ideal for anyone who can ride and has a sense of adventure. It features rural grazing land and riding across the Hume Dam wall. Comfortable to moderate riding along the Murray Valley Hwy with the testing Trout Farm Hill.

Riders head out of town via Thomas Mitchell Drive, passing the Army Barracks, cross the Kiewa River and skirt the floodplains on quiet farm roads. After turning left onto the Weir Rd; relax as you go through the shady River Red Gum forest and cross the Murray River into NSW.

Get those legs working for the TROUT FARM HILL. Do your best, but no shame in walking.

Up on top, pass the Lake Hume Café, maybe check out the coffee or “much talked about” ice creams. Enjoy the wind in your face as you descend the “Village Hill” to the **Rider Reviver** station (20 km mark) for refreshments and panoramic water views with mountain backgrounds. Soak it up, take some “selfies” and group photos.

Then on the bikes again for a peaceful glide across the Hume Dam wall. Maybe some more photos, then a left turn back to Bonegilla, passing the Bonegilla Migrant Centre and Latchford Army Barracks, and make a right hand turn on to the Murray Valley Hwy and head for home.

Follow your out bound route again crossing the Kiewa Rr, through Killara to Thomas Mitchell Drive, back to the Racecourse and under the Finish arch.

Park the bike on the stands provided and head to the “**CHILL ZONE**” to revive and refresh with family and friends and tell them about the fantastic ride you have just completed.

And for the greatest of causes the ALBURY WODONGA REGIONAL CANCER CENTRE and the Border Trust.
